

# 25th YEAR CELEBRATION BEGINS SATURDAY

## Formal Ball Opens Wistaria Weekend All Out Festivities

The Wistaria Ball to be held May 4 at the Ritz Ballroom will be the first in a series of events planned for the 1951 Wistaria Week-end, it has been announced by the social activities committee. In charge of the formal are Norden Hahn, chairman; Claire Saltman, publicity; Bonnie Klimo, decorations; Mimi Rosoff, invitations; Charles Smith, programs and favors; and Syd Litwak, queen nominations.

On the following day, sports events will open the festivities. The UB baseball team plays Hillier College at 2 P. M. and the track team meets Bryant and Hofstra Colleges also at the same time in Seaside Park. May 5 is also the opening day for the Outdoor Art Fair which will remain open until Monday, May 7. Charles D. Weber and William Stefanov are in charge.

### OUTDOOR PICNIC PLANNED

At 5 P. M., a picnic for non-resident students is planned on Marina Grounds. The committee in charge include Dr. Henry Littlefield, Miss Sarah Churchill, Mr. Raymond Olive, and Norden Hahn.

At 6:30 P. M., two events are again scheduled. The band, under the direction of Mr. John Worley, will present a concert at Marina Circle, and an Alumni Banquet will take place at the Fairfield Inn for the awarding of alumni citations. The banquet will also feature an address by Dr. Charles E. Phillips, president of Bates College.

### INFORMAL SATURDAY

Closing events on Saturday will be an informal dance under the stars at 8 P. M. in the rear of the Tech building and an Alumni Dance will be held at the Fairfield Inn at 10 P. M.

Sunday is the highlight and cli-

## Council Elections Slated For 2nd Week of May

Candidates for fifteen Student Council offices will compete in the elections scheduled for the second week of May. Nomination blanks for aspiring candidates will be available from April 27-30. These blanks must be signed by 25 students from members of the candidates' class and returned to election headquarters on or before 12 noon, May 3. Campaigning is scheduled from May 4 to May 11 and the actual voting will take place May 9 to May 11.

Each student may sign as many petitions as there are representatives on the Student Council from his class. The election committee will carefully check the signatures on all petitions to see that this regulation has been observed.

Candidates must abide by the campaign regulations set up by the election committee. No candidate may deface, remove, or destroy another candidate's campaign materials. Posters and campaign material shall be largely confined to the Snack Bar. Candidates must not use tacks or staples to place materials around in the hallways of the various academic and administrative buildings.

Candidates for council election in May consist of six representatives from the present junior class to serve as Senior Student Council members during the coming year; five representatives from the present sophomore class to serve as Junior Student Council members, during the coming year; and four representatives from the present freshman class to serve as

Continued from PAGE 3

## Reck Replaces Ben As Scribe Editor

Joan Reck, a sophomore majoring in journalism, has been elected editor of the SCRIBE for the 1951-52 school year, it has been announced this week by the SCRIBE Board of Editors. She will succeed Ben Raubvogel.

Joan has taken active participation on the SCRIBE for the past two years. This past semester, she was feature editor, news editor for the Spring and Fall semester of 1950, and, as a freshman, she did reporting. Her other activities include membership in Theta Epsilon sorority, Pi Delta Epsilon honorary journalism fraternity, and the Bridgettes. Joan is also editor of the Helicon, the University literary magazine.

The 1951-52 Advisory Board will meet this week to name the remaining paid editorial staff—evening and copy editor, managing editor, and make-up editor. As soon as the new staff is complete, it will assume publication duties under the watchful guidance of the outgoing editors. The change will probably take place the first week in May.

Richard Quick was appointed SCRIBE business manager by the Scribe Advisory Board the same day.

Members of the Board of Editors who exercised their voting

JOAN RECK

powers in the recent election of SCRIBE editor were Ben Raubvogel, George Quinion Jr., Stanley Josephson, Dulcie Penon, Jayne Eayer, Marilyn Sorrentino, Bill Chambault Jr., Joan Reck, and Dick Handler.

PRICE BOSS MIKE DISALLE

## Michael DiSalle, U. S. Price Boss, Here For Speech

Michael V. DiSalle, director of the U. S. Office of Price Stabilization, will be the principal speaker and recipient of an honorary Master's degree at the special convocation to be held Saturday in conjunction with the University's 25th Anniversary celebration.

The feature attraction of "Civic Day," the presentation will be made at the Central High School auditorium at 8:15 P. M. Prior to the presentation, Mr. DiSalle will meet with business and industrial leaders at a reception and dinner in the Stratfield Hotel.

Other speakers will include A. V. Bodine, chairman of the Board of Trustees; Mayor Jasper McLevy; Representative Albert P. Morano; Joseph E. Jeffery, superintendent of schools; and representatives of the Chamber of Commerce and the Manufacturers Association.

Students who wish to hear Mr. DiSalle may get convocation credit for attendance and may get reserved seats for themselves and friends at the Anniversary Office, Cortright Hall.

Recipient of an L.B.B. degree from Notre Dame, Mr. DiSalle is noted for his creation of a Civic Labor-Management Committee in Toledo, Ohio, to settle labor disputes. He was elected to the Ohio Legislature, Toledo City Council, and was Mayor of Toledo when he received the appointment to his present position as U. S. price stabilizer.

### Senior Commencement

Seniors wishing to be excused from Commencement exercises Wednesday evening, May 30, must obtain permission from their respective dean by May 1, it was announced by Dean Chauncy L. Fish.

There will be no excuses from graduation rehearsal and no one will be graduated unless he or she attends the rehearsal May 30 at 1:00 P. M.

## Scribes to Hear Fred Hechinger Tuesday at Publications Dinner

Fred Hechinger, education editor of the New York Herald Tribune and the Bridgeport Herald, will be the guest speaker next Tuesday evening, May 1, at the University's fourth annual publications dinner sponsored by the Bridgeport chapter of Pi Delta Epsilon, the national undergraduate journalism fraternity. Mr. Hechinger is the winner of the Polk Award in Educational Writing also winner of the Long Island University award for his series on Connecticut education.

Winners of the annual SCRIBE Citation awards will also be announced at the dinner. These awards are given to students for excellence in athletics, for outstanding participation in civic affairs, for successful promotion of social activities, scholastic or civic achievement off the campus, and for exhibiting a notable interest in the University's campus activities. A similar award is also

given to a member of the faculty who has done the most to better student-faculty relationships.

Other speakers at the dinner include Leigh Dannenberg, editor and publisher of the Bridgeport Herald, and James McGovern, associate editor of the Bridgeport Post. Dr. Henry Littlefield, University vice-president, will speak as a representative of the faculty.

Approximately 100 students and

faculty including staff members of the SCRIBE, Helicon, Wistarian, and Accounting Review; members of the journalism department; Pi Delta Epsilon alumni; Council of Deans; and this and former year's SCRIBE Citation winners will attend. Dancing will follow the dinner. In charge of arrangements for the dinner are Dulcie Ponon and Everett Matson, members of Pi Delta Epsilon.

### Bay State OK's Fones Hygienists

The Fones School of Dental Hygiene has recently been approved by the Massachusetts Board of Dental Examiners, announced Dr. Robert H. W. Strang, director of the school.

The Fones School has already received approval from Connecticut, New York, and Rhode Island.

In a letter of approval to Dr. Strang, the examiners stated, "You

are to be congratulated on the Fones School and the manner in which it is run."

"Recognition by the various surrounding states allows our graduates to practice in these states after taking dental examinations," declared Dr. Strang. "Plans are being made to increase the enrollment from the present 32 students to 48 next Fall."

## Campus Interviews on Cigarette Tests

### Number 19...THE WEASEL

"Who do they  
 think they're kiddin'?"  
 I invented  
 double talk!"

No wonder he blew his stack! All this double talk about quick cigarette tests was a flagrant infringement on his patent rights! They couldn't fool this character with "one-puff"—"one-whiff" experiments. Millions of smokers have reached the same conclusion—there's just *one* real way to prove the flavor and mildness of a cigarette.

It's the sensible test—the 30-Day Camel Mildness Test—which simply asks you to try Camels as your steady smoke... on a pack-after-pack, day-after-day basis. No snap judgments needed! After you've enjoyed Camels—and only Camels—for 30 days, we believe you'll *know* why...

**More People Smoke Camels**  
*than any other cigarette!*

**SCRIBE NIFTY ONE** for '51, from Easton, Conn., this week is brown haired, brown eyed "Dottie" Silverman. Standing 5' 5" and weighing 129, Dottie, an Evening Division student, is UB's version of the farmer's daughter. A Theta Epsilon sorority pledge and Medical Secretarial student by night, she helps her father by tending his large truck farm by day.

## Halsey Views Defenses During Ten-Day Junket

Pres. James H. Halsey returned last week from a 10-day, joint civilian orientation conference conducted by Gen. George C. Marshall, secretary of defense.

President Halsey, tanned from his visits to Quantico Military Base in Georgia, Eglin Air Force Base and the U. S. Naval Station, Pensacola, Fla., and Ft. Benning, Ga., was impressed and enthusiastic over his experiences.

**OPPORTUNITIES MANY**  
 "If what I saw of our Armed Forces is a fair sample, every American citizen can be proud of our progress and secure in our military defense measures. Every mother and father of a son in service can be reassured of the excellent care given the boys and we parents should be thrilled with the many opportunities for training and education which the services offer.

"I was especially impressed with the effectiveness of the Armed Services teaching methods and I feel certain that those of us in educational work can learn much

### LEADERS IMPRESSIVE

"All the officers and civilian leaders of the defense forces impress one with their ability, loyalty, sincerity, and hard work. I didn't see a fat general or a fat admiral on the whole trip," he commented. In discussing the trip, President Halsey declared that he has now done everything: he rode in an F-80 jet plane at 500 MPH, experienced six dives in a submarine, flew in a marine helicopter, went aboard an air-craft carrier, witnessed a sham battle, and attended banquets with three-star generals.

President Halsey arrived back in Bridgeport aboard a two-motored Air Force transport, having left Fort Benning the day before and stopping off at LaGuardia Airport. He was the only representative from New England to participate in the eighth conference sponsored by the Department of Defense.

## Tuition Goes Up \$25 Per Term Beginning In Fall

University tuition and dormitory rates will increase \$25 a term effective with the 1951 Fall session, it has been announced by Vice-President Henry W. Littlefield. The new rates will be \$250 per semester for tuition in place of the current \$225, and \$275 per semester for room and board in place of the current \$250.

Tuition for evening classes will increase \$2 per semester to bring the total cost to \$15 a semester. The new rates for the evening division will take effect immediately.

The increase in board and room at the University is the first since 1946. Although the University revised its tuition fees in 1946 to set up an overall rate with the elimination of special fees and charges, the increase in tuition is the first since 1932.

Dr. Littlefield said that scholarship aid, however, will be available to more students next year than ever before, since during the past year new scholarships have been set up and will be available in the Fall for the first time.

## Speech Finals Tonight At Burroughs Library

Thirteen semi-finalists will compete for prizes at the finals of the fourth annual public speaking contest to take place this evening at 8:30 P. M. in the Burroughs Library lecture hall.

Finalists from the student body include Richard Barrett, Ruth Bowden, Joseph Clark, Carlos Luria. Semi-finalists from the 15 speech sections at the University include Johanna Chandler, Walter Gundersen, Esther Johnson, William MacLead, Joan Reck, Robert Stock, Robert Hanaford, James Mehorter, and Bruce Wood.

An Underwood portable typewriter donated by the Underwood Corp. will be awarded to the first prize winner, and second prize will be a Parker '51 pen donated by Spector's, Inc.

Judges at the final contest will be Harry Allison Goldstein, President of Bridgeport Bar Association; and Professor Frank McMullen of the Yale University drama department.

## Spanish Pix First Of Foreign Films

"El Seminarista," a Mexican film in Spanish, will be the first of a festival of three foreign language films to be sponsored by the foreign language department and open to the public. The show will be presented at 3 P. M. Friday in the Carlson Lecture Hall.

A German post-war film, "Raz-zia" (The Raid), will be shown May 4 and a French film, "Le Colonel Chabert," will be presented May 11, both at 3 P. M.

All performances are free of charge. Following each movie the foreign language department will award prizes to students for outstanding achievements in the foreign language courses.

## Tifon Awards Gift To '51 Girl Grads

A sterling inlaid silverplate teaspoon, inscribed with the words, "Class of 1951" across the bowl, will be presented free to each female graduate of the class of 1951, Junior College or University, it was announced by Mr. Al Morris, manager of Tifon's.

These spoons, made in an assortment of four different patterns by the Holmes & Edwards Division of the International Silver Co., will be awarded especially in honor of the University's 25th Anniversary year, and are not available to anyone else.

To be eligible for the gift, all the student has to do is call at Tifon Jewelers and obtain her

reservation card by May 15. There will be no charge or obligation of any kind. The spoons will be ready during the first week of June.

"These gifts are only our way of saying 'congratulations and best wishes for the future' to all UB girl graduates this June. We feel that these fine quality gifts will be lovely and useful mementos that the young ladies will be proud to have through the years," Mr. Morris stated.

"Whom Ain't Got Savoir Faire?"

## From Alpha to Zeta

By BILL DESMOND

The IFC seating of the sororities highlights the Greek Letter news of the week. Congratulations, Theta Epsilon and Beta Gamma. We know you will help keep up the splendid work done so far by the IFC.

**INTER-FRATERNITY COUNCIL**—The Greek Letter Dance was a very successful example of inter-fraternity co-operation and a good time was had by all. Joey Zelle supplied the music and the IFC gave out lucky jiggers as favors. As we have stated previously we hope to see this dance become a standing tradition and we wish you success for all the years to come.

**ALPHA GAMMA PHI:** Magnificent is the word for AGP. The boys weren't satisfied just to pack Glorieta Manor, have the Hungry Seven for a floor show, provide fun and a wonderful night for all, but they started the evening off a la 400, with the most fabulous favors ever given . . . ORCHIDS! As usual, a good percentage of AGP alumni were present and, as usual, we were impressed with the closeness and co-operation of the members.

A week ago AGP's alumni brother Andy Fiorello married UB '50 graduate Corky Goldstein. Good wishes and best of luck to both. Andy, by the way, is the boy who designed the now famous sword and shield emblem.

**DELTA EPSILON BETA** is now at work on their annual Spring picnic which will be held as a clambake this year.

**SIGMA LAMBDA CHI** moves ahead on plans for a closed party on May 5. After winning a ball game from POC, the brothers of SLC have been challenged for a return match which will be held soon.

**SIGMA PHI ALPHA** is planning a farm picnic in May. Applications are now open for the SPA scholarship. Anyone interested should apply to Pres. George Metzger and give year and activities in school.

**THETA SIGMA**—President Halsey,

Vice President Littlefield and Arthur Thexton have been invited to the TS banquet, May 11, at the Brooklyn Country Club, and will probably lend a few words to the occasion. The picnic on May 12 will be on the grounds of Glorieta Manor followed by an evening dance there. Don't forget the SOIREE at President Savard's house on May 13.

**PI OMEGA CHI** will hold an installation dinner on May 11, at which an award will be given to a member for outstanding achievement. May 12 is the date set for the POC picnic at Putnam Park. Election of officers will take place May 2.

**THETA EPSILON** makes their bid for the Wistaria Crown with not one . . . not two . . . but three lovely candidates; Lenore Bifield, Lucille LaMacchia, and Marjorie Cisero.

Last Saturday, the girls held an all day picnic on the banks of the Housatonic and tried to lift Yale's morale. Cambridge won.

### FRATERNITY OF THE WEEK

**KAPPA BETA RHO** was founded in February, 1948, on the campus of the University of Bridgeport. The organization's early members created the constitution and gained the recognition of the University authorities in March of that year.

Kappa Beta Rho has three purposes. They are to promote good fellowship, to maintain the light of truth, and to walk the way of honor.

The fraternity participated in the Homecoming Game.

The fraternity has been quite active in sports, having been undefeated in basketball for three years. Fraternity members are on the baseball, swimming, tennis, and soccer teams.

## Draft vs. Education

With the advent of the Korean War, the drafting of personnel has again become a necessity, as it has been in past wars. Up to the present moment, however, the administration of our land has seen no advantage in drafting men enrolled in higher institutions of learning. It is felt that they will better suit our country's needs if they enter the nation's military ranks with a wider range of knowledge.

This type of man can probably be molded into an officer with a minimum of training and a higher capability of handling the men under him. Certain critics in our country have not viewed it in this light; they feel that students in college are the recipients of special political favor which makes them exempt from the dirty business of fighting a war. This is shallow and base thinking which is both contagious and demoralizing if allowed to continue.

As a means to combat this trend, Gen. Lewis B. Hershey has ordered a series of tests to be drawn up by our nation's educators as a means of judging which students should be deferred (not exempted) from the draft. The students who are deferred must recognize the obligation that their deferment places upon them. All must realize that this extension of time made possible by our government is really an act of faith. They feel that those selected to remain in school will avail themselves to the utmost of their ability. This faith must not be weakened by our failure to act.

We are in a war and everyone should know it, but that is, at present, not a reason to stop the education of our people. Our country's freedom dare not become imperiled for fomenting distrust among ourselves through our own failure to evaluate the true worth of administration policy.

America must not fail to see the need of keeping her educational as well as her military ranks full during these present hours of uncertainty throughout the world.

## Student Rights

The question has often arisen in the past as to what professors do with student term-papers, exams, etc., after they have been graded, and to who has rightful claim on them.

The SCRIBE has consulted with the various Deans for information pertaining to this problem and has been assured that students who desire their work returned after ample time has been afforded for proper grading may have what is rightfully theirs. The Deans have stated that they will look into any cases where students are refused requests that their work be returned.

Students need not feel reluctant in pressing their demands, providing ample time has been afforded the prof for grading. After all, you are only asking for something which belongs to you.

## Another First

In commemoration of the beginning of the University's 25th year, the SCRIBE will publish a special 16-page Silver Anniversary issue next week. Because of the special nature of the issue, the SCRIBE will mark another first by publishing 4,000 copies in order to have enough for students and faculty as well as visiting alumni, guests and parents.

## Dear Editor:

The SCRIBE welcomes letters from its readers for publication in this column provided that they bear the authors' signatures, not necessarily for publication. Anonymous letters will not be printed. Letters exceeding 300 words will be omitted or reduced in length at the editor's discretion.

### 43rd Div. Speaks

I don't know whether you were responsible for my getting the March 28 issue of the SCRIBE or not, but whoever did see to it that I received one, I would like to thank.

I haven't heard too much news about what goes on at the University, but I sure miss the dances and other activities that the school puts on.

I'm glad to see that "old" Bill Chambault is still writing the sports news and that McCabe is still in there playing ball for old UB.

You see, it's news like this that we in the service want, especially me. So keep up the good work, and I'd appreciate it if you could keep the SCRIBE coming my way here in Pickett.

There may be a change of address in a few months though, but I'll keep you posted.

I'm on C. Q. duty now and it's just about time to tuck the boys in, so I'll cut this short.

GENE (RED) ECKELS

## Engineering Group Holds Annual Hop

The second annual "Greaseball," sponsored by the Engineering Society, will be held Saturday at 8:30 P.M. in the Engineering-Technology Building Lab. Dress for this dance is informal—slacks, jeans, socks is the proper attire. Music will be provided by the Shoreliners.

Committee members include Leonard Thorell, Pasquale DeLuca, Peter Di Carlo, Lawrence Izzp, and Robert Brieling, band and entertainment; John Rinella, Rocco Martello, and Paul LaBrie, decorations and ticket; Frank Miles, Paul Freeborn, Charles Davis, David Catania, Fred Dilen-dik, and James Kusher, publicity; Frank Miles, finances; and Grace Rosenberg, Edwood Brown, Aristide Albert, and Russell Van Billiard, refreshments.

## Athletic Posters Needed by SCAC

The School Spirit Committee of the SCAC is looking for posters to be used to point up the Spring athletic schedule. Anyone having ideas for posters should contact Larry or Leo Kney of the Spirit Committee and show them rough sketches. If you cannot contact them, leave the posters in the Wistarian office, third floor, Westport Hall.

General plans have been made by the School Spirit Committee for next semester's freshman week and orientation period. The committee is working in conjunction with the freshman committee to try to bolster school spirit. Anyone interested should contact his or her dorm club, fraternity, sorority, or organization representative to the SCAC.

**Spring Brings Romance;  
More Dances On Tap!!**

By BILL O'BRIEN

As was predicted in this column recently, romance has increased tremendously now that warm weather has arrived. The biggest news of last week was the surprise engagement of Dud Savard, president of Theta Sigma, to Rita Patrick, '49 Wistarian Queen. Congratulations!

Other romantic happenings include Shirley Myers, Linden Hall, engaged to Harold Kasowitz, of New Haven Teachers, Joyce Scala engaged to a young man also from NHT, and Otille Mason engaged to Sgt. Bob Ayers. Also, Peg Hacker pinned to Hank Steffans, Nancy Wilcox pinned to Bud Martin, and Sandy Tarshis going steady with Walt Lombardo.

UB ranks with the best as far as the social calendar is concerned. This week-end there are three dances, one on Friday and two on Saturday. Upsilon Beta Sigma is "throwing" one at the Three Door Inn Friday, April 27, 1 dollar a couple.

Then on Sat. night you have your choice of attending either the Engineering Society's "Greaseball Dance" or Theta Epsilon's affair. Vital statistics on both are: Greaseball, \$1.25 a couple, informal as—in the Engineering Tech Lab., Theta Epsilon, 1.50 a couple, bring your own—date, Housatonic Lodge.

Bill Duch tells this pun?—UB Male—"You never kissed me like that before, Mary. Is it because we're in the dark?"

UB Co-Ed—"No, it's because my name isn't Mary."

Theta Sigma fraternity has planned a tremendous, knock-down, drag-out week-end, May 11-13. Starting with a stag banquet at the Brooklawn Country Club on Friday, with several faculty members invited, then over to Sat. which will encompass an all-day picnic on the grounds of Glorietta Manor, followed by dancing in the evening. All this will be topped off by an afternoon gathering on Sun. at Pres. Savard's house. And then finals on Monday—they'll be final all right. About twelve days from today, kiddies.

Wistaria week-end May 4-6 with block parties, Frankie Carle at the Ball, crowning of the Queen, and the Wistaria Pageant on Sunday. A GREAT affair, you'll all be there?

Ralph Hardy, the infamous laundry "Lilom" has the most modern invention of the age according to well informed dormitories, and friends of the young man. It (the invention) is a portable broadcasting system. I haven't heard it yet.

POC recently had a swell closed party at Lombardo's-Walt's, not Good Luck's—But who was the young man who sink-sank-sunk on the doorstep? Jack Kelly also sponsored a brawl at his apartment, 134 West Ave., before the

Now that the draft law has been liberalized slightly, perhaps more of us will be around next year . . . Jack Shannon has been traveling to Fall River, Mass., quite often to see Claire . . . Irv Johnson claims he is in the market for a ring. Should I believe him? . . . Betty Dolan recently married . . . Jane Furst and Renee Gratum sound great singing "Too Young."

Tom Quinn said the following actually happened: "The cab was rolling steadily along when suddenly the driver pulled over to the curb and stopped. 'What are you stopping for, asked the young male passenger?' Driver: 'I thought I heard someone tell me to stop!' Ans.—'You did. She wasn't talking to you! And then the driver came back with—'It's not just the work I enjoy, it's the people I run into.'"

Last but not least is the tall tale but true of the two young ladies from one of the dorms who went to see Derby Day (there

wasn't any officially) and ran up a 52 dollar bill for the week-end. They signed bouncing checks which are still bouncing all over New Haven and they had to hitch-hike home. Evidently, their dates were not well supplied with cash. Fun? Fun!

## Golfers Still Unbeaten With 3-0-1 Record

By ED PETTIT

The varsity golf team, with three smashing triumphs to its credit has a score to settle. That score is a 4½-4½ deadlock and the ball club which can expect to be "settled" on Friday in a return match is Iona College of New Rochelle.

Iona is nicknamed the Gaels. Homonymically speaking that was the weather condition which prevailed on the 16th of this month when the two T-teams floated over 18 water-filled holes on the inundated Iona course.

The match wasn't decided until the last stroke when Gus Lucas splashed in a five-foot putt to end hostilities and knot the count at 4½-4½. Despite the torrential downpour which was propelled by the gale-like winds, Ernie Boros

stroked a remarkable 73 over the soggy 18 hole course.

**CAPT. SAVARD ILL**

A blow to the Knights worse than the weather was the absence of the ailing UB co-captain, Dudley Savard, whose presence in the lineup would have undoubtedly spelled victory for the Purple. Friday's return go with Iona should bear out this statement.

After downing Fordham University in the season's opener, 6½-2½, the Knights clubbed Fairleigh-Dickinson into submission with an overwhelming 9-0 whitewashing. Ernie Boros, Dave Howard, Vin Milewski, Dud Savard, Ed Lengyel, and Henry Kuba, all scored over their opposition, with Boros carding a respectable 73.

Incidentally, but not unexpectedly, it rained again, making it three straight matches played under adverse conditions.

**DOWN SETON HALL**

Last Friday the UB linkmen engaged the formidable Seton Hall Pirates of East Orange, N. J. Equipped with life jackets, raincoats and hip boots, Boros and company were prepared for both the weather and the visiting Pirates.

## Varsity Baseball Squad Bites Dust By Huge Margins

By ED PETTIT

The University of Bridgeport baseball team plays its third game of the current campaign today at 2:30 P. M. on Seaside Park diamond No. 1 when it meets the Arnold College Terriers of Milford for the second time this year.

The first two starts thus far for the Knights have been utter fiascoes with horrendous fielding—19 errors in two games—being the conspicuous cause of collapse.

Some excuses can be made for the pitching what with limited training because of bad weather, but what can the infielders say after they say their sorry? Only time will tell whether it was the lack of Spring training, or the lack of ability which was at fault.

Wee Willie Keller came up with the "hit 'em where they ain't" theory, but it seems as though the "hit 'em where they are" method has proved just as effective against UB's floundering inner "defense."

In today's tilt, Coach Glines can start any of a number of moundsmen but Lionel "Mac" McCabe, who turned in a creditable relief stint against Panzer last Saturday may be a surprise starter.

Thus far the UB baseball picture has been a nightmare of mis-cues, with the Knights collapsible infield averaging more than two errors an inning. In the season's opener, the Glinesmen were victimized 18-1 by Arnold in collaboration with the four hit job of Ed Filanowski and an 18 hit assault by his team mates.

Five UB errors, two coming with the bases loaded, aided the terriers who scored eight times in a big fourth inning to assure victory.

Last Saturday against Panzer College, the Purple enacted its second showing of "A Comedy of Errors" with a two-hour farce which featured no less than fourteen (14) UB errors.

The Panthers were held scoreless for the first two innings by Don Henckel, but built up an 11-0 lead during the next three frames and added five more thereafter just for the KICKS. The final score was 16-6.

## SPA Only Unbeaten Team in IM Softball

By AL GROSSBY

Sigma Phi Alpha, only unbeaten team in either league, and the independent 69ers hold down the top spots in their respective intramural softball leagues as the season enters its final stages.

SPA, sporting a 4-0 mark, is being hard pressed by four other teams, all of which appear to have excellent chances of overtaking the leader before the race concludes.

Theta Sigma, beaten for the first time last week by a strong Alpha Gamma Phi outfit, 9-7, is in second place with a 4-1 standing.

**THREE-WAY TIE**

AGP, Delta Epsilon Beta, lone conqueror of AGP; and Sigma Lambda Chi are all tied for third place with 3-1 records. Pi Omega Chi (2-2) is the only other fraternity team with a break-even or better mark.

The 69ers with a 4-1 (beaten only by the Stags) standing boast a very slim edge over the 9 Old Men and Park Hall, both of which sport 3-1 records, in the Independent League. The latter two teams both were defeated by the 69ers.

Another scoring standard was smashed last week when the hard-hitting AGP club defeated POC by an astounding score of 31-23. The combined total of runs scored by the two teams (54) surpassed the former mark of 47 runs by seven tallies.

Standings:

**FRATERNITY LEAGUE**

	W	L
SPA	3	0
TS	4	1
AGP	3	1
DEB	3	1
SLX	3	1
POC	2	2

	W	L
69ers	4	1
Park Hall	3	1
9 Old Men	3	1
Stags	1	3
Seagulls	1	3
Faculty	0	4

## AGP, SPA Early Leaders In IM Volleyball Loop

Alpha Gamma Phi, this year's defending champions, and Sigma Phi Alpha have jumped off to an early lead in the intramural volleyball league. Each team has a 2-0 record.

Delta Epsilon Beta is also unbeaten with a 1-0 mark. Theta Sigma and Park Hall are deadlocked for fourth spot each with one win in two outings.

Standings:

	W	L
AGP	2	0
SPA	2	0
DEB	1	0
TS	1	1
Park Hall	1	1
POC	0	1
SLX	0	2
Stags	0	2

## AGP Grabs Lead In Horse-shoes

Undeclared with a 5-0 record, Alpha Gamma Phi has assumed an early advantage in the intramural horse-shoe pitching competition.

Second to AGP, the only unbeaten team in the circuit, is Park Hall with an 8-2 standing. Sigma Phi Alpha (6-4) and Theta Sigma (3-2) are tied for the third place position.

Standings:

	W	L	Pct.
AGP	5	0	1.000
Park Hall	8	2	.800
TS	3	2	.600
SPA	6	4	.600

## Six Teams Enter Tennis Elimination

The intramural tennis competition, originally set up as a round robin tournament, has been switched instead to an elimination affair.

Reason for the change in plans as announced by IM director Tony Iannone is that the city's Park Department will be unable to get the courts into playing shape by the May 1 starting time.

Six teams, all fraternity, have already signed up for the tournament. The sextet is composed of Alpha Gamma Phi, Theta Sigma, Alpha Delta Omega, Sigma Lambda Chi, Pi Omega Chi, and Delta Epsilon Beta.

## Track & Field Dies At an Early Age

By ED PETIT

The following UBituary is just a warning which may come into reality, for Coach Ed Tamashunas—at press time—does not have a quorum of track and field men to put into the field for the opening meet. It is not only in the interest of the school but also to other sports—both major and minor—that no sport at UB die of "malnutrition" for it sets a dangerous precedent for the administration which is now tightening its money belt. Today is the crisis!

**DIED**—The one-year-old infant of the University of Bridgeport sports family, named **TRACK & FIELD** suffered a six meet illness last year but came through and a bright future was expected of this fledgling sport. His tragic demise has come just at the time that he was scheduled to make his debut against New

**Britain Teachers College.** That meet is scheduled for this afternoon at New Britain. Guardian Ed Tamashunas called T & F's death out and out murder but wished to thank those few who attempted to save the dying sport. Burial will take place in the student's conscience.

## Golfers Still Unbeaten With 3-0-1 Record

Continued from PAGE 6  
ates. The weather was splendid, but the Knights were even "splendid" as they scuttled the opposition, 8-1 for their third straight victory.

Co-captain Ernie Boros and Hank Kuba tallied impressive wins to remain undefeated in singles match play. Dud Savard marked his return to action with a wide marginal win which featured an eagle on the ninth hole. **FINISH ON ROAD**

After the return go this week with Iona, the undefeated UB golf team—one of the best in the East—will have five remaining contests. The next two will be played at home with Fairleigh-Dickinson and Manhattan College, and the last three away against always strong Siena College, Seton Hall, and Hofstra.

Of these, Siena should afford the stiffest competition, for the up-state New York combine holds more victories over the Knights in post-season play than any other ball club.

## Formal Ball Opens

Continued from PAGE 1  
max of Wistaria Week-end with the Pageant at Marina Circle at 3:30 P. M. Also planned during the day is a student inter-faith service at 11:30 A. M. on Marina Hall grounds with Dr. Francis Dolan co-ordinating. Committee members planning this event are Jim Quigley, Bev Hough, and Dick Moskowitz. At 12:30 P. M., there will be a dinner for parents which will feature an address by Dr. Mary S. Fisher Langmuir, professor of child study at Vassar College.

The final event of Wistaria Week-end at 5 P. M., will be open house at all the dormitories and inspection of Fones Dental Hygiene Clinic and the Engineering Building following the pageant.

### JUST ASKING

If you are one of the critics quick to condemn UB's baseball team because of its two early season horrendous defeats, don't you think it would be better to stop a minute and place the blame where it rightfully belongs? Doesn't it seem plausible that if Coach Herb Glines showed a bit more interest in the team, that the boys would soon improve their record which at present appears headed for a place in UB annals as the school's worst season? Wasn't Glines the main cog in the Athletic Policy Committee's drive via an innocent Student Council to sound out the student body on whether or not the Spring sport should be dropped from the University's athletic calendar?

Wouldn't it be real "George" if all UB coaches were as proficient at playing the sport they coach as our new golf mentor, Arthur Thexton, who consistently shoots between 75-80? And wouldn't our great golf club (no pun intended) be more than a match for any college team in the country, bar none? Isn't Walt Kondratovich a better basketball coach than most observers rate him? What was the real reason an invitation from Yale for a return swimming meet was turned down after all the members of the UB squad and their coach had apparently given their full approval?

Has anyone discovered a good reason why so many persons in positions of authority at UB speak only off the record when they are telling you any news of importance, including sports? Isn't intramural director, Tony Iannone, one of the most underrated members of UB's sports staff? But on the other hand, aren't the rules set up by Iannone for guiding IM activities more easily broken than a greenhouse roof during a hurricane? Why aren't UB's coaches members of the Athletic Policy Committee? Do you think the Kefauver Committee will investigate the weekly baseball pool that is run by the Marina Hall kitchen staff?

If the work of scheduling college games is so very difficult (as Glines wants people to believe) then why did he, in his capacity as Athletic Director, refuse to play both Boston College and LIU in basketball, especially after the two schools had written to UB asking for bookings? It couldn't have been because Glines was afraid of being whipped by both, thus spoiling his excellent, but stacked, won-and-lost record? Or could it? Didn't the fact that UB played the weakest schedule of the three area colleges this past season detract from the team's wonderful efforts?

Wouldn't it be nice if Lionel (Mac) McCabe, a resident of Hartford and presently a member of UB's pitching corps, was given the starting job against Hillyer College when the Knights meet the Hawks in the Capital City Saturday? How many of you readers think Glines' strategy of hitting the ball on the ground in the coming Hillyer clash because there is usually a strong wind blowing in the Hartford park will prove successful? Why do certain individuals connected with UB sports make statements they later either completely reverse or else deny altogether? Doesn't the recent criticism of us in the Fairfield U. campus paper prove once and for all that we are not a Red Stag rooter?

Isn't football coach, Walt (Kay) Kondratovich, UB's top coach from anyway you wish to look at it? Sudden thought: wouldn't Kay make some college a good athletic director? Possibly UB, hum-m-m? Isn't nodding your head and saying yes at the right time the best way to advance in UB's athletic department? Hasn't basketball star, Ted Brennan, since leaving our athletic plant, received excellent offers from Seton Hall and U-Conn? Shouldn't UB's medical equipment include boxing gloves what with Dr. Eli Ives being a staunch Dodger fan and his assistant, Mrs. Hoffman, a rabid Giant booster?

## Social Workshop Set For Summer

A workshop in inter-group relations will be conducted for the first time this Summer at UB, announces Dr. Abraham E. Knepler, director. The workshop, offering three points credit on either the graduate or undergraduate level, will be held from July 30 to August 15.

The course is designed to help teachers, educational administrators, group, and other social and lay leaders to work out more effective techniques and to utilize materials in inter-cultural education and other aspects of inter-group relations.

Co-operating with the University's College of Education and the sociology department in sponsoring the workshop are the Bureau of Youth Service of the Connecticut Department of Education and the Bridgeport public schools.

# Intramural Awards Dance May 1

Approximately 80 awards consisting of trophies, medals, and plaques will be presented at the first annual Intramural Awards Dance, May 11, from 9 P. M. to 1 A. M., at the Fairfield Inn. Trophies will be awarded to the winning teams and the most outstanding player in each sport will be named.

Team trophies for men's intra-

mural sports will be presented to the 69'ers, touch football winners; Dolphins, swimming; Kappa Beta Rho, basketball; Sigma Phi Alpha, bowling; and Pi Omega Chi, fowl shooting. Awards in table tennis, horseshoes, volley ball, track, softball, golf, and tennis will be announced later.

Outstanding players to be honored will be Warren DuBois, Mr.

Touch Football; Dick Ellis, Mr. Swimmer; Frank Castellucci, Mr. Basketball; George Greenwood, Mr. Bowler; Ted Ivanko, Mr. Fowl Shooter. Those for the other fields will also be announced in the future.

Team trophies for women's intramural sports will be presented to Linden Hall, volley ball winners; Waldemere Hall, chess; and

Stratford Hall, table tennis.

Tickets for the dance can be obtained from the sport representatives of the fraternities, dormitories, and sororities. They are on sale for \$1 a couple.

Members of the awards dance committee include Joseph Kenney, chairman, Anthony Massaro, Harold Yarson, Richard Moskowitz, Jim Streett, and Barbara Dyson.

## Pre-Registration Advisee Period

All students are required to meet with their advisers and fill out the appropriate forms for Fall and Summer registration by tomorrow. Today and tomorrow will be the last two days for registration at Bishop Hall, it has been announced by Dean Chauncey L. Fish.

The tuition for the Summer semester will be \$15 per semester hour for day or evening courses, and \$250 for the Fall

semester. A late registration fee of \$5 will be charged all present students who do not register for the Fall 1951 semester during regular registration.

Those students who wish to apply for a scholarship for the Fall semester can pick up their application at the Student Personnel office. Students interested in the special scholarships can refer to the University catalog.
